

Who Should Attend?

Operators and persons responsible for the maintenance and upkeep of Gema electrostatic powder coating automatic systems will benefit from this course. Companies that want their employees to learn proper and efficient application techniques, as well as troubleshooting and maintenance skills, should attend.

Our Teaching Philosophy

Attendees will learn how the equipment is designed to work, then how to use and maintain it. This class consists of a lecture and hands-on applications work in our lab.

Refund Policy

If you cannot attend a training class for which you are registered and you notify Gema at (800) 628-0648 at least 72 hours prior to the start of the class: Someone else from your organization may attend or you will receive a training credit to be used for a future class. In the event that Gema cancels a class, a full refund will be issued or registration for a future class can be requested. Gema shall not be responsible for any other loss incurred by the customer as a result of a cancellation or reschedule of classes. For more information visit www.gematraining.com.

How to Register

Register online at www.gematraining.com or complete the attached registration form and return it to Gema with your payment. Classroom and lab space is limited, so send in your registration today!

For questions, please contact **James Jones** at jjones@gema.us.com or 1-800-628-0648.

INFORMATION AND REGISTRATION FORM

Gema USA Inc.
4141 W. 54th Street
Indianapolis, IN 46254

800-628-0601
317-298-5000

Day 1

- 8:30 a.m. Introduction
- 8:45 a.m. Electrostatic Powder Coating Overview, Grounding and Safety
- 9:45 a.m. Break
- 10:00 a.m. Booth and Recovery System Design
- 10:45 a.m. Application Equipment
- Powder Spray Guns
 - Gun Control Units
 - Powder Pumps
 - Nozzles and Accessories
- 11:30 a.m. Lunch (provided for all)
- 12:30 p.m. Application Equipment (Cont.)
- 2:00 p.m. Break
- 2:15 p.m. Troubleshooting, Maintenance and Cleaning Procedures
- 3:15 p.m. Reclaim Systems, Fresh Feed Systems and Gun Movers
- 4:00 p.m. Manual Gun Application Techniques (presentation)
- 4:30 p.m. Wrap-up and Adjournment

Day 2

- 8:30 a.m. Automatic Gun Set-up and Application Technique in Laboratory*

* Parts coated will consist of parts provided by Gema. Alternatively, attendees may bring a part to coat with a manual gun. Our lab technicians will help identify optimal coating techniques. If you plan to bring a part, it must meet these requirements:

- No larger than 3'X3'X3'
- Under 100 lbs.
- Gema will supply powder

- 11:30 a.m. Lunch (provided for all)

- 12:15 p.m. Hands-on in Laboratory**

**Split into groups and compete in an application contest where participants will use training instruction to set-up automatic spray guns and coat parts. The group with the most consistent target mil thickness while providing 100% coverage will prevail. There will be a special gift to all on the winning team.

- 4:30 p.m. Wrap-up and Adjournment

Note: Hands-on application work performed in the Gema laboratory will utilize OptiFlex® series guns and control units. Other Gema models, such as OptiSystem®, EasySystem® and PG series equipment, will be covered in lecture, but will not be available in our laboratory.
